Aubrey Sakaguchi, SDAO's Return-to-Work/Loss Control Consultant, will provide SDIS Workers' Compensation Insurance Program members the tools to implement an active Return-to-Work Program. Successful programs are designed to assist employees and volunteers to continue to engage with the district during their recovery from on-the-job injuries. The most immediate benefit of implementing such a program is claim cost management which benefits all SDIS pool members. It can also include free money from the Oregon Workers Compensation Division!

This free training is being offered to participants in the SDIS Workers' Compensation Insurance Program. To register, complete and submit this form. E-mail: Aubrey Sakaguchi at [asakaguchi@sdao.com](mailto:asakaguchi@sdao.com); mail to: **SDAO, PO Box 23879, Tigard, OR 97281**; or fax to: **503.620.6217**.
