## Agriculture

Program Title/Website	Resource Provider	Description	Eligible Applicants	Contact	Deadline
<a href="#">FY21 Conservation Reserve Program</a>	(USDA) Dept. of Agriculture - Farm Service Agency (FSA)	FSA will contract with agricultural landowners and provide them with annual rental payments and cost-share assistance if they establish long-term, resource-conserving vegetative species on their land.	Agricultural Producers	<a href="#">FSA County Offices</a>	General signup began Jan. 4, 2021. Continuous Signup
<a href="#">Environmental Quality Incentive Program (EQIP) (10.912)</a>	(USDA) Dept. of Agriculture - Natural Resources Conservation Service	Provides financial and technical assistance to agricultural producers through contracts up to a maximum term of ten years in length. These contracts provide financial assistance to help plan and implement conservation practices that address natural resource concerns and for opportunities to improve soil, water, plant, animal, air, and related resources on agricultural land and non-industrial private forestland.	Farm Bill eligible landowners - Agricultural Producers, Individuals & Households, Tribe	Misty Beals <a href="mailto:Misty.beals@usda.gov">Misty.beals@usda.gov</a> 503-320-6953	None Listed
<a href="#">FY20 Livestock Forage Disaster Program (LFP)</a>	(USDA) Dept. of Agriculture - Farm Service Agency	Provides assistance to livestock producers suffering grazing losses due to drought conditions or fire on federally-managed grazing lands.	Agricultural Producers, For-Profit Organizations, Individuals & Households	<a href="#">FSA County Offices</a>	None Listed
<a href="#">Emergency Haying &amp; Grazing</a>	(USDA) Dept. of Agriculture - Farm Service Agency	To help livestock producers in approved counties when the growth and yield of hay and pasture have been substantially reduced because of a widespread natural disaster. Eligible Counties: Baker, Benton, Coos, Crook, Curry, Deschutes, Douglas, Gilliam, Grant, Harney, Jackson, Jefferson, Josephine, Klamath, Lake, Lane, Linn, Malheur, Morrow, Sherman, Umatilla, Union, Wasco, Wheeler.	Agricultural Producers, For-Profit Organizations, Individuals & Households, Local Government & Authority, State	<a href="#">FSA County Offices</a>	None Listed
<a href="#">Emergency Conservation Program (ECP) (10.054)</a>	(USDA) Dept. of Agriculture - Farm Service Agency	ECP helps farmers and ranchers repair damage to farmlands caused by natural disasters and to help put in place methods for water conservation during severe drought. The ECP does this by giving ranchers and farmers funding and assistance to repair the damaged farmland or to install methods for water conservation.	Agricultural Producers, Individuals & Households	<a href="#">FSA County Offices</a>	None Listed
NEW THIS MONTH					
<a href="#">Wetland Mitigation Banking Program</a>	Department of Agriculture	The Wetland Mitigation Banking Program (WMBP) is a competitive grants program that supports the development and establishment of wetland mitigation banks to make credits available for agricultural producers.	For-Profit Organizations, Local Government & Authority, Nonprofit Organizations, Public/Private Institutions of Higher Education, State, Territory, Tribes	800-877-8339	August 16, 2021

<a href="#"><u>Community Facilities Technical Assistance &amp; Training Grant</u></a>	(USDA) Dept. of Agriculture - Rural Development	Grant funding to public bodies and non-profit organizations to provide technical assistance and/or training to rural communities on identifying and planning for community facility needs; identifying resources to finance community facility construction or repair projects; prepare reports and surveys necessary to request related financial assistance; and prepare applications for Agency financial assistance.	Public bodies and nonprofit institutions assisting communities, Indian Tribes, and nonprofits to identify and plan for community facility needs that exist in rural communities of 20,000 or less.	Charlotte Bentley <a href="mailto:Charlotte.Bentley@usda.gov">Charlotte.Bentley@usda.gov</a> 503-414-3362	FY 21 application cycle has closed. Next application window expected after January 1, 2022.
<a href="#"><u>Community Resilience Planning Guide for Buildings and Infrastructure Systems: A Playbook</u></a>	(USDOC) National Institute of Standards and Technology (NIST)	All communities can improve their resilience and capacity to protect lives, livelihoods, and the quality of life for their residents and businesses. The Planning Guide recognizes that communities must prioritize their limited resources and that improving resilience is a process achieved over time. The Guide's planning process provides a structured yet flexible way to set community-scale goals, align priorities and resources, identify key stakeholders, and develop plans for recovery of community functions. Community resilience planning can inform and integrate other community plans and also reduce conflicting goals between plans.			
<a href="#"><u>Building Blocks for Sustainable Communities</u></a>	US Environmental Protection Agency	Building Blocks provides quick, targeted technical assistance to selected communities using a variety of tools that have demonstrated results and widespread application. This round of Building Blocks will offer a more flexible approach that leverages EPA staff expertise, facilitates rapid learning and exchange, does not rely on in-person workshops, and focuses on emerging challenges communities face related to land use planning and development. EPA will offer sequential tiers of assistance, starting with staff-led calls only and then selecting some communities for more in-depth, contractor-supported assistance.
